

DATA PROTECTION NOTICE
IN THE CONTEXT OF THE COAST GUARD COOPERATION HANDBOOK AND
CAPACITY BUILDING PROJECT
Greening award initiative

<p style="text-align: center;">WHY AND HOW DO WE PROCESS YOUR DATA?</p>	<p>The European Fisheries Control Agency is committed to protect natural persons in relation to the processing of personal data (right to the protection of personal data) and, accordingly, it is subject to the Regulation (EU) 2018/1725 ¹. The Agency collects personal data with the purpose of complying with the project 'Implementation of the results of the Coast Guard qualifications Network and the Practical Handbook on European cooperation on coast guard functions' (Contribution Agreement SI2.859465), which supports the cooperation with and between the competent European coast guard function authorities.</p> <p>The purposes of this Data Protection notice are the processing of personal data related to an initiative of the Coast Guard Cooperation group called Greening Award Initiative .</p> <p>In the context of the Annual European Coast Guard Event (AECGE), held at EMSA's premises in June 2023, the 'Greening Award initiative' was announced as a new part of future Annual European Coast Guard Events. The initiative seeks to give visibility to the actions and activities that are carried out and developed across the more than 300 authorities that make up the European coast guard community, directly or indirectly addressing this collective Green Deal. To this extent, within the framework of the European coast guard cooperation, one specific task was included in the Annual Strategic Plan 2024 adopted by the TWA Steering Committee and dedicated to the organisation of the Greening Award Initiative.</p> <p>Efforts are the following: to collect information necessary for the organisation, for the assessment of the information provided from competitors and for the whole management process of the greening award competition.</p>
