1. **Background**

This report is covering the joint campaign activities (JDP-NS-2016-01) in the North Sea JDP operational area. The report provides overall summary information concerning the joint control activities that were carried out by air, sea and shore based assets and teams of the participating Member States from 4th of January until 18th of December 2016.

2. **Objectives**

To ensure compliance with the requirements of Commission Implementing Decision 2013/328/EU, and in particular the monitoring of compliance with:

- a) fishing opportunities management and specific associated conditions,
- b) reporting obligation applicable to fishing activities,
- c) high-grading ban and obligation to land all catches subject to quota.

3. **Summary of activity**

a) Inspections ashore

During this joint campaign reporting period 20.272 tonnes of cod, plaice and sole were inspected at landing. In total, there were 7281 inspections carried out ashore, including 5224 market inspections, with a total of 153 apparent infringements reported on 147 fishing vessels.
