To ensure compliance with the requirements of Commission Implementing Decision (EU) 2018/1986, and Regulation (EU) 2016/1139 of the European Parliament and of the Council, by means of a coordinated programme of inspections of fishing vessels at sea and in ports of landing.

3. Summary

This report is covering the joint campaign activities in the Baltic Sea JDP operational area for fisheries under the scope of the SCIP. The report provides overall summary information concerning the joint control activities that were carried out by air, sea and shore-based assets and teams of the participating Member States from 01st of January till 30st of June 2022.

The numbers shown in this report have been extracted from the EFCA database according to the activity submitted by the MS within the context of the NS JDP. Only those data that meet certain quality criteria are recorded in the EFCA database. These data are provisional and are kept under continuous review. The extraction of data was done on 5th January 2023, for the BS related events, patrols, and targets.

The COVID-19 measures have minimized the exchange of inspectors and the visits by MS experts to EFCA Coordination Centre (CC) due to special COVID sanitary measures of national authorities.
